Dear Parents, Staff and Students,

A reflection as we come to the Church’s Lenten Season: We have all had times of great wonder during which we experienced God’s presence: a sunset, a piece of music or a baby’s smile. If we are willing to see and to listen to life around us, we will experience God speaking to us through the wonder of His creation in all its forms.

Often our understanding of prayer can be too narrow and can exclude everyday experiences because they don’t fit our definition of what prayer is or is supposed to be.

If prayer is any activity that nurtures our relationship with God, then, if having a cup of tea with a friend nurtures this relationship that is prayer. If sitting still in a park or garden feeds your soul that is prayer. Listening to music, assisting at children’s liturgy, coaching a team, can all be prayer.

We may have stopped praying because our “old” images of God are no longer valid and we have no “new” images to replace them. If we try to figure out who God is before we pray, we might never pray.

If we wait to pray till we have the right words, we might never pray. The longer we wait to pray the more we leave God “in the Church” or in a “Religious Ceremony” instead of in a relationship with us. (taken from Prin Scripts)

After three weeks of school I can tell you that the vast majority of children have settled well and are enjoying their time at school. I was approached by two kinder children last week to inform me that they were over school and would prefer to be home with mum. I informed them that they would have to wait thirteen year before they could do that but it just went over their heads. They both just ran off without a care to play. On a serious note, if your child is finding it difficult to come to school don’t struggle, let us know and we can put into place things to support your child.

In-Service (Pupil Free Day)

This is to give parents plenty of notice that the Term 1 pupil free day is Friday 6th April, the whole staff will be travelling to the University of New South Wales to undertake professional learning in the area of differentiation of assessment

School Photos

Our school photos are booked in for Wednesday 28th February and Thursday 1st March 2018. The new procedure will be that photos will only be available to be ordered online by parents. See more information on back page.

Parent Teacher Interviews

A note has been sent home with your child offering a parent teacher interview. If you wish to book an interview with your child’s teacher go to www.schoolinterviews.com.au enter the code bzqkq and follow the prompts. If you do not have internet access, please call the office on 4957 4922 and an appointment will be made for you. Bookings close on Wednesday 28th February at 3pm. (See instruction sheet at back of newsletter).
Assistant Principal’s Message

Year 6 Buddies
It was a busy week as Years 1-6 had their first full week of school and Kindergarten joined us on Tuesday. I would like to take this opportunity to commend our Year 6 buddies on the friendly, caring and considerate way they have worked with their kindergarten buddies. I have received very positive feedback from the parents of kindergarten children, the kindergarten and Year 6 teachers, as well as seeing firsthand the mature manner displayed by our Year 6 students. You make me very proud Year 6!

Drop Off and Pick Up
We ask all parents of students in Years 1-6 to wait at the gates for their children. Once you have picked up your child we ask that you exit the school in a timely manner rather than congregating at the school gates, as this makes it difficult, and somewhat unsafe for teachers to ensure all students have been picked up. From Week 4 kindergarten students will join the rest of the school for afternoon dismissal. Some parents bring their pets for drop off and dismissal, this is perfectly fine as long as all dogs, regardless of size, are on a leash. We also ask that dogs do not go up on the verandas where there are lots of students.

Gates
The gates at Royal St and Burke St are locked every morning at 9:30am and opened by the teacher on these duties in the afternoon. This is to ensure all our students are safe. If you need to exit or enter the school during these hours you are required to do so via the staff carpark and sign in/out at the front office. The gates to the staff carpark are closed but NOT locked during the day.

Chess
The Sydney Academy of Chess is running its interschool chess competition again this year. Students in Years 3-6 who are interested in competing are asked to see Mrs Jackman (6L) for a permission note. The competition will take place on Friday 16 March at Bishop Tyrrell Anglican College from 9:30am, at a cost of $15. Students are asked to find their own transportation to and from the event as this is an individual event.

Kaylene Marettich - Assistant Principal

RE News

From Pope Francis @ pontifex
Jesus wants to be found by those who look for Him. But to look for Him we have to get up and go out.

ASH WEDNESDAY/LENT
On Tuesday, members of the Social Justice Team attended the launch of Project Compassion at Sacred Heart Cathedral and returned with a commission for us to undertake support of this project. This week you will receive a Project Compassion box for your family (youngest child). We encourage you to read the accompanying note which explains our plans for our fundraiser this Term supporting Project Compassion.

Please join Primary students at Ash Wednesday Liturgy in the Church at 11:00am on Wednesday. Lent is a time for making sacrifices. It is a time when we “take on” extra commitments and “give up” distractions so we may draw closer to Christ and prepare well for the great feast of Easter.

Ideas for families for Lent:
Start meal time with a prayer, attend Sunday Mass, reach out to others in your family/ neighbourhood, praise your teenager/child once a day! go without Maccas and donate the money to your PC Box! More ideas will be floated to your children in class.

Opening Mass
Please join us as we celebrate Mass this Friday in the Hall at 9:30am with Father Stephen Hill. A welcoming cuppa available after Mass.

Sacramental News
Families with a child/children completing the Sacramental Program should have received a note about Sacramental information, so if your child did not bring a note home please contact the school as it contains information needed.

Vickie Pettett - Religious Education Coordinator

School Community Notices

Billing
Your school fees for this term will be sent home this week. You will note that a number of school excursions will now be billed along with your school fees as an added convenience for parents. Whilst these costs appear in the Term 1 account it is not necessary to pay all of these at once. If you make regular payments throughout the year this amount is slowly reduced. If your child is not attending an excursion, please notify the office and a credit will be processed to your account. The following
events will be automatically billed: Swimming Carnival (Yrs 2, 3, 4 & 5), Infants Picnic, Year 6 camp, Year 5 Excursion – Murrays Beach, Mangahigh Maths Online (whole school), Interrelate (Year 6 only – an inclass program on moving into the teen years), Tocal Excursion Years 1 & 2, Kindergarten Blackbutt excursion.

If you would like assistance working out a Direct debit or Bpay amount for a weekly, fortnightly or monthly payment please phone or call into the office and we will happily help you. Office hours are Monday to Friday 8am-3.30pm. Payments by cash, cheque, or EFTPOS (Credit Card- Visa or Mastercard only). Credit Card payments can be taken over the phone.

**Medical Alert**
Threadworm infections are a natural part of growing up for many children. When children have been sharing and playing with others, particularly outdoors, they like to pick up, share and catch everything – from toys to bugs and even worms. The start of a new year and a new group of playmates may be the ideal time to treat for worms. Parents should seek information regarding treatment from their pharmacist or doctor.

**Vicki McSpadden Bursar**

**P & F News**
Welcome back to 2018. We held our AGM last week and would like to introduce the new team and welcome them to their positions. We were pleased to see some new faces and everyone is always welcome to attend. Our next meeting is on March 6 at 7pm in the staffroom.

**President**- Jo Kim, **Vice President**- Val Gent, **Treasurer**- Maree Abson, **Secretary**- Helen Shah, **Fundraising** – Belinda Mortimore, **P&F representative**- Angela Leung

**Canteen News**
Please note that a few prices have increased this year due to increases in supplier prices. Chicken Burgers are $3.80, Chicken Chilli Wraps are $4.50, Caesar Salad Boxes are $4.50, Potato Boxes are $4.50, Cookies are 80c and Chocolate Muffins are $1.50.

We have a pizza combo day planned for Wednesday 14 March so stay tuned for more details.

**Caring Group**
For a number of years the P&F has co-ordinated a Caring Group which assists families within our school community when they may be in need. If you would like to **join this group** and assist in a cooking roster or in some other way, please contact Madeleine Standing on 0421979570 or email tmstanding81@bigpond.com. We will assume that people already in our Caring Group list are happy to remain there for 2018. If you do not wish to continue or if you have any questions, please contact Madeleine. Thank you for supporting our St Therese’s community.

**Playgroup**
This Friday Playgroup will be held in the Father Walsh room. All families are welcome to join us and it would be wonderful to see some new families from our 2018 kinders too! Come along and join us this Friday 16th February from 9.15am - 11.15am. Cost is $3 per family with morning tea provided for parents. Please bring a drink and snack for your children. Please contact Kate if you have any questions about playgroup on 0414952491.
Look forward to seeing you there.

**Wellbeing**
Dear Parents and carers
A big welcome back from the Christmas holidays to our students and families and a special welcome to the new Kinder children and new families.

Everything with the kinder children is exactly as it is meant to be. Most have already established how to make school life work for them.

There are just a few still working out the logistics and managing as expected. As mentioned above there is a bit of a pattern that goes with the whole dynamics for the kinder kids. After the first couple of weeks and possibly by week 3 some of the kids think they have been to school long enough now, they have done it already and want to call it quits. “That’s enough, I’m out of
here” - it is just a little hurdle and it settles again quickly. Often it is the ones who started really well and there is no specific indication how well kindy children settle as the weeks go by.

Parents please realise this is a normal reaction in the transition, nothing to worry about and in fact, it is healthy for your child to get through it as a recognition of their own strengths, “I can do It”. Which is at the very heart of resilience. A tip to support you:

1. Ask what it is they are feeling, tell them it is normal.
2. This is exactly what is supposed to happen when it does.
3. They can take as long as they need to get use to going to school.
4. Remain positive as your child will sense your excitement and be happy too.

Once you have given them permission to feel the way they do, amazingly, the fear disappears. We can help you with lingering separation concerns, talk to your child’s teacher if you are worried in any way.

Blessings Cheryl Roberts

Kids Matter - Highway “Bumps”

By now all classes K-6 will have been introduced to the Highway Heroes metaphor that we are all travelling along the Highway of Life where difficult situations and challenges are met. Part of this metaphor is the concept of “bumps”. Bumps are difficulties that we encounter in everyday life and they are a normal part of life. There are different sorts of bumps: Little BUMPS are things that happen - like leaving your library bag at home. Big BUMPS are much bigger things – like someone being nasty or not be allowed to join in a game. Ongoing big bumps can turn into “hazards”. The children are learning to distinguish the difference between big bumps and little bumps – it is great to hear them reframing their thoughts on different issues, saying things like, “At first I thought it was a big bump, but now I’ve thought about it, it really is just a small bump!” The program will go on to provide “Tools” and problem solving techniques for the children to deal with life’s bumps and build resilience. Use this language with your kids at home to help them bring perspective to challenges they are meeting at school.

Gifted Education

Our staff have been working on a common understanding of Gifted Education within our school and we will be focusing on the areas of differentiation and the identification process of gifted students. Part of my role this year will be to facilitate and provide professional learning to staff in the area of Gifted Education. The Gifted Education Leadership (GEL) team met last week and are excited about the year ahead and what we can do for our students and school in the area of GE.

Deb Petersen – Primary Coordinator

Curriculum

Technology and Thinking

The Year 5 students have had a busy start to the year setting up their tablet devices. Most are now comfortably working in OneNote and sharing work electronically with their class and teacher. A HELP desk is available Mon, Tues, Wed & Fri mornings
9.20am – 10.00am. Students may visit me in the Library at that time. Parents, you are also welcome to drop in or call at that time if you have any questions or concerns regarding technology and the 1:1 BYOD program.

Please visit our school blog (http://www.newlambton.catholic.edu.au/learning-showcase) to find out what is happening in our classrooms. You are also welcome to visit my personal website (http://mrsbarkerstearoom.com) to see lesson ideas that I share with other schools and teachers. I include school work samples and some interesting links.

I have been discussing cybersafety with Year 6. We discussed how although cyberbullying can occur 24 hours a day, we have the power to ‘unplug’ the bully. We can turn our devices OFF and walk away from social media. We noted that reporting issues to parents was the key to resolving problems. We discussed agreeing to Terms & Conditions of social media – in particular honesty in completing forms. A reminder to all parents that when students sign up to most social media sites, they are required to tick a box that states they are 13 years old. Please consider the message that your child receives if they are permitted to make a false statement. I encourage you to explain to your children that rules and regulations are in place for a reason. Although all privacy settings may be set up - the reality is NO student at St Therese's is old enough to tick that box. Parents are responsible for ensuring technology is used respectfully and honestly by their children.

The morning Coding Club and lunchtime Minecraft Club were both very successful last year and students have been asking about introducing them again this year. I will send out information later this week and we will kick off in Week 4.

_Lynette Barker_ Learning Technology Co-ordinator

**Classroom News**

**Robotics**

On Wednesday, 7 February, students from Year 3 and Year 1 (along with a small selection of Year 2 students) participated in an Introduction to Robotics day with Mr Geoff McIver from McIver Edubots. It was a fantastic day, filled with fun, excitement, learning and challenges for the students. The Year 3 students used Edison robots and the associated programming software known as ‘EdBlocks’ to program many different functions for the robots to perform. The highlight amongst the students was definitely the team “Sumo Challenge!”

Year 1 used stand-alone devices known as Beebots to also experience the opportunity of programming and coding a robot. We are excited to continue utilising these devices in our classrooms and linking their use to other areas of the curriculum.

_Luke Smith - Primary Coordinator_

**Library News**

- **BOOK CLUB:** The Issue 1 catalogue from Scholastic is now available.
- **There are now two ways to order from Scholastic Book Club.**
- If you wish to make a purchase through the school, simply fill out the order form – place it in an envelope with the CORRECT money, or cheque made out to Scholastic Australia. Please write your child’s name and class on the front of the envelope as well as the order form.
ALTERNATIVELY, you may order through ‘LOOP’ which is on-line order and payment, with your purchases delivered to the school.

Closing date for orders is next week Wednesday 21st February.

Please note: Late orders for ‘LOOP’ may incur a delivery fee if order is posted to your home.

Do not miss out!

Library pick-up is always available for discreet orders such as Christmas, birthdays, rewards etc. Clearly mark the order ‘Library pick-up’ and add a contact number. ‘LOOP’ also has an option to tick a box for ‘gift orders’ which can be picked up from the library.

- REMEMBER: All orders earn valuable resources for our School

Sport

Sport Days for Grades
Kinder - Friday Year 1 – Friday Year 2 – Wednesday Year 3 – Wednesday Year 4 – Wednesday Year 5 – Thursday Year 6 - Thursday

Regional Swimming Carnival
All notes have gone home for the Regional Swimming carnival. If your child has a note please complete the paperwork as soon as possible and hand back into me. The carnival is on 20 February and if you are available to help, it would be appreciated. Please note that all girls swimming must wear one piece swimmers. Cost of $10 to be paid to the office ASAP. Parents of students competing are responsible for the transport of their child to and from the event (Lambton Pool).

Winter Sport Trials
I have received the names of students who are eligible and who have nominated themselves to trial. Due to a large number of students wanting to trial for soccer, we will hold a school soccer trial on February 16 to select the 6 students who will attend the Regional Trial on March 2. We have secured selectors for this process. Students for all four Regional sports, soccer, netball, hockey and rugby league will receive their paperwork in the following two weeks. Please read this information thoroughly and organise your child’s needs, ie transport, permission note and payment, as is set out on the note.

Summer Sport Trials
Congratulations to Charlie A (Yr 6) who represented the Diocese at the Polding Trial last Friday in cricket. Well done Charlie. Also congratulations to Brendan and Tom for basketball.

NRL Blitz 2018 Incursion
The focus of the 2018 NRL Blitz visit is Respect/Wellbeing which aims to provide an interactive learning experience that empowers young people on the values that make a successful team, group, or community. This will be held on Monday 19 February for Years 3 – 6.

The assembly visit will focus on two main values that promote a respectful and successful team:
1. Belonging
2. Celebrating Differences

Coles Sports for School
The Coles Sport for Schools program is back and now underway. St. Therese's will be participating in this program and we would appreciate your support in collecting the vouchers when you shop at Coles. Vouchers can be sent into the school office or given to your child’s classroom teacher in an envelope. We will use the vouchers for some sporting equipment at the end of the program.

Deb Petersen - Primary Coordinator

OOSH
Hello to everyone and a big welcome to all of our new Kindergarten students and other students also new to YMCA New Lambton OOSH. It's been a very busy couple of weeks with everyone adjusting to new routines and meeting new friends. This is a big week with a lot of our new Kindy children starting OOSH for the first time, we at the Y commit to making your child's first and ongoing OOSH experiences a fun, safe and friendly experience.

We will continue to collect Kindergarten children from outside their classrooms at 3pm so you can let them know to look out for our staff who will be there waiting.
Children in Years 1 to 6 will continue to meet on the silver seats underneath the small cola opposite the Kindergarten room.

**IMPORTANT INFORMATION** – If you have not re-enrolled your child/children for 2018 please do so online as soon as possible. Also even if you have a 2018 paper enrolment please do an online enrolment as we are moving in this direction so it will need to be done at some stage in the first half of this year.

Kind regards
Christine Morgan

**Chess for School Kids!**

**Sydney Academy of Chess**

**Presenting**

**Interschool Chess Challenge 2018**

Endorsed by the New South Wales Junior Chess League (NSWJCL)

**These events provide young chess players with the chance to learn the skill of tournament chess play**

**Designed with participation in mind, schools can send any number of players, and are not required to rank their players, or to only select the top few.**

**Each school/team score is calculated by adding the scores of the top 4 scorers.**

**Top placing schools in each event will be invited to attend the regional semi-finals, which are held in Term 3. The finals are held at the end of Term 3.**

**Cost to participate**

The cost for children to participate in each tournament is $15 per child.

Other than player entries, there is no cost to schools for hosting these events.

Schools will be invoiced for all of their participating players after the tournament date – payment is not required in advance.

**How to participate**

**Enter a local heat**

Simply return the entry form and bring your players along on the tournament day! You can find your nearest local heat online at www.sydneyacademyofchess.com.au/interschool

**Host an event**

Your school may wish to host a local heat in this series. The event requires a hall with tables and chairs that can accommodate at least 80 students. All chess equipment, trophies and certificates are provided, along with an arbiter and helpers from Sydney Academy of Chess who will administer the tournament and prize-giving. The school will benefit from publicity of the event, and exposure to other local schools, teachers and parents.

Schools who host an event in 2018 will receive a free gift for their chess club!

**Fun and Educational Before School Creative Writing Workshops at St Therese’s, New Lambton. Term 1 starts Thurs 15 Feb, 8am-9am, Years 2-6**

$140 per term (7 lessons)

$210 for two siblings

with Ed Wright and Jess Black

For Information and enrolments

www.creativewordshop.com.au

info@creativewordshop.com.au or phone 0408788375
Dear Parents

Parent/Teacher/Student interviews will be held shortly. Bookings must be finalised before the Wednesday 28th February at 3pm, when bookings for this event will close.

For parents that do not have internet access, please contact the office on 4657 4922 to make a booking.

BOOKINGS CLOSE Wednesday 28th February at 3pm

Now you can book school interviews for the times that suit your family. Go to www.schoolinterviews.com.au and follow these simple instructions.

Simply enter the code and press "Go"
THIS CODE CHANGES -- DO NOT USE YOUR LAST EVENT'S CODE

1. Enter your details
2. Select the teachers you wish to see
3. Select the appointment times that suit your family best

When you click Finish, your interview timetable will be emailed to you automatically. If you do not receive your email immediately – Check your junk mail folder AND make sure you have spelled your email address correctly.

You can return to www.schoolinterviews.com.au at any time, and change your interviews – until the bookings close on Wednesday 28th February at 3pm.

You may change your bookings, any time prior to the closing date, by re-visiting the www.schoolinterviews.com.au website, and using the event code. Remember to use the same name and email address, you used when you made your original booking. Parents wishing to change their interview times after the closing date, should contact the school directly on: 4657 4922

We would love to hear what you think about online booking. If you get time, click on the "contact us" button on the www.schoolinterviews.com.au website, and leave some feedback - anonymously if you wish, but please include the school’s name and suburb.
