Principal’s Message

Dear Parents, Staff and Students

Last Friday we held our annual Grandparents Day. We celebrated this day at St Therese’s to give thanks to all those grandparents who give so much of their time, love and support to the children. Over five hundred grandparents came to join in the celebration. My thanks to all the Kinder to Year 2 staff for their great work in organising the day. Also to the children for their beautiful smiles and the great joy they showed welcoming their Grandparents.

Over the weekend, the kinder teachers along with some fifteen parents worked on stage 2 of the children’s play garden. My thanks to all concerned for doing such a great job, the children will really enjoy the opportunity to play in this beautiful area.

Sickness in School

We are experiencing a high level of sickness in our school at the moment and I would strongly request parents to keep their children at home if they are unwell. The spread of germs has extended to our staff to the extent that it is almost impossible to bring in Casual staff to cover our own staff.

Religious Literacy Test

Last week we received our results from the year 6 Religious Literacy Test where we scored 31 High Distinctions, 25 Distinctions, 23 Credits and 5 Participations. We had two students who scored 100% in the test. Congratulations to Sophia and Samuel from Year 6. These results were outstanding and my congratulations go to the children and staff of year 6. Our overall average score was 34.1 in comparison to other school score of 26.5.

NAPLAN

The Naplan results were sent home last week and I have now had an opportunity to look at the overall results. The Naplan Test is designed as a diagnostic test for the students, and as I have said many times, it was never designed to rank schools. It is a snap shot in time of the children but it does give the school an opportunity to look at trends as well as individual growth.

This year’s results show that St Therese’s is going extremely well in Reading, Writing, Spelling, Grammar & Punctuation and Numeracy. We have shown very good growth in all areas with the exception of Grammar & Punctuation where we dipped. As a school, we will look closely at why this has happened. Overall as a school, we are above the state average in all areas tested. The excellent result are directly related to the concerted effort by the school in addressing the needs of the students in these areas as well as focusing on critical and creative thinking and wellbeing. The programmes that we have implemented over the past few years are now paying off for the children.

This year for the first time we are able to see how our children who have gone to St Pius went in the Naplan. Their growth is a result of the teaching and learning that has taken place at St Therese’s. The results assist us as a school to focus our attention on bettering the programs for our senior students.

The below results demonstrate our high achievement in comparison to the state. I look forward to the time when we actually test thinking rather than just memory.
National Literacy and Numeracy Week will be held 4-10 September
Follow the link to access some great resources: www.literacyandnumeracy.gov.au.
National Literacy and Numeracy Week is an annual event celebrating the importance of literacy and numeracy to future learning, life participation and work opportunities. Getting involved in National Literacy and Numeracy Week is a great way for parents, schools and the community to help kids develop their literacy and numeracy skills. Digital Literacy is one feature of the website that parents may be interested in. This was first introduced to the site in 2016 as part of the week to raise awareness of the importance of digital literacy as one of the foundation skills for the workforce in the 21st Century.

Lost Property
Every Friday a responsible group of our Year 6 students check through our lost property bins and return items of clothing (which have names on them) to their owners. The remainder without names is returned to me, washed and placed in the clothing pool for sale. Parents are very welcome to come in to the clothing pool at any time (or to look through the 2 lost property bins for that matter).
Please ensure that you clearly mark your child’s belongings with their name and if it is placed in the lost property bin, it will be returned. It is possible of course that if your child leaves their clothing around the school (such as in the hall) it may not be placed in the lost property bin immediately so it may take time to be returned to them.

RE News
RE NEWS  Migrant and Refugee Week 21-27 August

MESSAGE FROM HIS HOLINESS POPE FRANCIS FOR THE WORLD DAY OF MIGRANTS AND REFUGEES 2017
[15 January 2017]
“Child Migrants, the Vulnerable and the Voiceless”
“Dear Brothers and Sisters,
“Whoever receives one such child in my name receives me; and whoever receives me, receives not me but him who sent me” (Mk 9:37; cf. Mt 18:5; Lk 9:48; Jn 13:20). Migration today is not a phenomenon limited to some areas of the planet. It affects all continents and is growing into a tragic situation of global proportions. Not only does this concern those looking for dignified work or better living conditions, but also men and women, the elderly and children, who are forced to leave their homes in the hope of finding safety, peace and security.”

During this coming week we are called to think about and welcome those who have fled violence and oppression and travelled to our land to seek security. Local churches or Catholic Mission will gladly accept any donations for this worthy cause. If you wish to make a tax deductible donation please leave your donation, with name at the Office (there are a number of envelopes at the Office.

**Working With Children Check**
If any parent/carer/grandparent would like to volunteer at the school or any school activities it is a requirement of the State Government and the Catholic Schools Office that you provide the school with a current WWCC number which is issued through Services NSW (previously known as RTA) which can be applied for online. When you have this number you must present at the school office with 100 points of ID to complete the paperwork. See links below for further information: [www.kidsguardian.nsw.gov.au/check](http://www.kidsguardian.nsw.gov.au/check)

- Step 1; complete online application
- Step 2; go to Services NSW (formerly known as RTA)
- Step 3; bring WWCC email to school with 100 points ID

**School Fees**
Term 3 fees are now due and payable. Your statement was either emailed or sent home with your child. Our system defaults to the primary fee payers’ email. If you would like to alter this email, please contact the office. You will notice that you may have been billed for the Infants Excursion, Dance classes and next year’s Swimming Carnival. The decision to bill parents in this way benefits both parents not needing to find these amounts close to the end of the school year and to also streamline office accounting and reconciliation at a very busy time. As this system proves efficient you will find more items will be billed in this way. If your child will not be attending an excursion please notify the office in advance to allow your account to be credited.

**Vicki McSpadden Bursar**

**Library News**
This week is Book Week - a chance to have fun and celebrate Literature. We will have our dress-up fun and parade when we hold our Book Fair on Wednesday 18th October ...but the fun starts this week!
From Book Week until Book Fair the school Library will be promoting literature by explaining and highlighting *genres*. Each week a *genre* will be defined and examples of books shared with students.

**This week’s genre is:** FANTASY
Examples of fantasy books are *Harry Potter* (J K Rowling), *The Hobbit* (J R R Tolkien), *Chronicles of Narnia* (C S Lewis), *Charlie and the Chocolate Factory* (Roald Dahl), *Charlotte’s Webb* (E B White), *Mary Poppins* (P L Travers) and *The Borrowers* (Mary Norton).

**This Week’s Book Week fun:**
We have ‘adopted’ Jackie French as our author for this year’s book week celebrations. Her book *Diary of a Wombat* is a well-known and much loved picture book. We have a gorgeous new life-size wombat living in our Library. His name is Wayne William Wombat. He loves to dig and I’m sure he would escape if he could! If he did escape I wonder where he would go? Students are asked to draw a picture of Wayne somewhere interesting. Surfing in Hawaii…skiing in Switzerland…looking out from the Eiffel Tower?

We will display the drawings on our ‘Where’s Wayne Now?’ wall. Students can ask their teacher for a drawing page. Please remind your child to return drawings to the Library by Monday 28 August. All students that return a drawing will go into the draw to win a $15 book voucher and a photo with Wayne!

**Book Week**

Week 6 this term is Book Week. If you would like to learn more about the Children’s Book Council of Australia, and the books that have been shortlisted for 2017, please visit [https://cbca.org.au/about-the-awards](https://cbca.org.au/about-the-awards)

Please note that our book fair will be held in Term 4 and we will be having a week celebrating literature and a Book Parade at that time.

Thanks
*Lynette Barker (Teacher Librarian)*

For the next two weeks will focus on demonstrating CARE & COMPASSION by displaying friendship towards others. Friendship is sought by all of us: some need many friends and some need only a few friends. As adults we know that friendships change over time, this can be difficult for children to understand particularly when a valued friend no longer wants to spend time with us. Be open to discuss friendship issues with your child but assure them that changing friendships are a very "normal" part of growing up. Encourage your child to make friends through many different forums e.g. those who live nearby, through sport or hobbies, Scouts etc. We also need to help children learn how to be a good friend; by listening, offering encouragement, accepting friends for who they are and allowing them to be friends with others.

Grandparent’s Day
Thank you to all the grandparents/special elder friends who attended Grandparent's Day last Friday. We had many excited students in K-2 eager to show all their wonderful work to their grandparents. Thank you to Belinda Palmer for the delicious morning tea, Mrs Pettett, Mrs Roberts and our learning support aides who served morning tea and the teachers for all their hard work preparing for the day.

Year 3 teachers

Kinder Backyard Blitz
On Saturday, the Kinder teachers were joined by a team of tireless parent helpers, to complete Stage 2 of our Kindergarten Playground Project. Stage 1 was completed a couple of weeks ago, where the land was cleared and prepared for construction. On Saturday the “bones” of the playground were put in place. Everyone worked so hard and our playground looks amazing. The parent helpers were invaluable, as were the children who added a helping hand too - we want to send a big thank you to the following families for all their work: Belfari, Lanzendoerfer, Campbell, Searl, Profili, Boettcher, Tonkin, Ladmore, Leung and Wall. And a HUGE thank you needs to go to Jarrett Clynick and his family for all the planning, organisation and hard work in helping bring this project to fruition. Now that we have the bones in place, Stage 3 of the project will involve adding in the decorative features to bring our playground to life. Stay tuned!

OLD EXTERIOR DOORS NEEDED!
As part of the construction of the new Kindergarten Outdoor Play Area, we are in need of 4 exterior doors to construct a new teepee for the children to play inside. If you have an old door lying around in your shed that is of exterior grade, or know where we can get our hands on some cheaply, please let us know! We have a trailer and are happy to pick them up from you! Thanks!

Dress as a gangster or a silent film star. Come as a flapper or come as you are. Roaring 20s cocktail theme night at Souths Leagues Club for the P & F Major Fundraising Event of the Year.

If you have a business or are in a position to donate any prizes or provide sponsorship for the night, please let me know.

Looking for volunteers to assist with various tasks in organising the theme night by handing out flyer to business in the local area who provide prizes, to parents at home who can call businesses and obtain quotes, to helping on the theme night. All volunteer roles are easy and won’t take up much time if we all band together, as they say many hands makes light work, let’s
all pitch in and make the night a huge success.

OOSH
Dear Parents/Carers,
It was another successful week at the Y. We have been incredibly fortunate to have a string of sunny days, which encouraged our children to head outside and get active. Most days the children were spread out from the handball courts to the back field, all engaging in a variety of activities that kept them moving and involved with their peers – handball, footy kicks, baseball, playground tips, soccer…you name it!

Indoors, children delighted in the opportunity to make their own snuggly felt pillows to take home. Perfect for those cold winter nights! This was a great exercise of fine motor skills and concentration, with educators watching over the children as they maneuvered the needle and thread. Other popular indoor activities included: Wii Dance, trapeze, table tennis, Klikko, imaginative play and Zoob creations.

REMINDERS: Please ensure all after school absences are being notified prior to 3pm. This assists greatly with our transition from school to OSHC.

Auskick: Please ensure children are reminded to attend roll call prior to Auskick. Children will be marked off and then escorted to the back playground.

Kind regards,
Stephanie

Fact sheet for parents and carers

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual national assessment for students in Years 3, 5, 7 and 9. Planning has begun to move NAPLAN from a pen and paper assessment to an online assessment.

What are the benefits of NAPLAN Online?

Results will be faster and more precise
- Your child’s individual results will be returned to you within just a few weeks of the NAPLAN testing.
- Online assessment will reduce the time it takes to mark and provide feedback to schools, teachers and parents.
- Improved precision and timing of results will help teachers to tailor their teaching more specifically to address students’ learning needs.

Tailored tests will provide better assessment
- The online format allows for ‘tailored testing’, where the test adapts to a student’s performance and asks questions that match their achievement level.
- Students in each year level start with the same set of questions which can then branch into a different set of questions based on their responses to the first set of questions.
- This means that students will be directed to questions that may be easier or more challenging depending on their responses.
- This test design will allow students to better demonstrate their literacy and numeracy skills.
- Students find online assessment is more engaging*, which means they are encouraged to persist longer and try harder.

NAPLAN Online School Readiness Test

NSW schools will participate in a school readiness test between 14 August and 22 September 2017.

The school readiness test is a ‘practice run’ for schools to assess their technology ahead of NAPLAN Online. The readiness test is not an assessment of student ability. The readiness test allows schools to:
- become familiar with the NAPLAN Online test format and processes
- check whether they have the technical capacity, rooms and devices to administer NAPLAN Online
- provide students in NAPLAN years 3, 5, 7 and 9 with the opportunity to experience the online test question types and format by completing a practice NAPLAN online test.

For more information

Parents, students and schools interested in familiarising themselves with the NAPLAN Online format can access the NAPLAN Online demonstration site that includes sample tests for each NAPLAN year. Use the following link:
http://www.nap.edu.au/online-assessment/naplan-online/naplan-online-public-demonstration-site

Further information about NAPLAN Online is available on the national ACARA website:
