9th November 2021 | TERM 4 WEEK 6

Principal's Message

Dear Parents

Well we have reached the half way mark of Term 4 in what has been a very challenging year. I'd like to thank each of you for your ongoing support of the school in its endeavours to keep all children and staff safe. The proceedures that we have in place seem to be working and your diligence in having your children undertaking COVID testing has been a big step in the right direction. Coincidently we were "spot audited" at St Thereses today and were found to be operating at above the guidelines and I thank everyone for their efforts.

This week is Wellbeing Week for the children and staff and I would encourage you to "take a breath" and enjoy each others' company. The trying times we have been through have taught us the value of family, friends and kindness.

Next week the children will begin undertaking a series of tests called ACER PAT and these are to help determine where the children are currently at in the areas of English and Maths. The results will help the teachers focus on what the children will need in 2022. These tests are ususally undertaken in October/November of every year and the Maitland Diocese asks all schools to administer these tests.

2022 Classes

The teachers are currently finalising classes for 2022 school year. Teachers will make sure that each child has a friend in their class and that they are placed where their needs are best served.

Congratulations

Santiago P (1L) would like to extend his gratitude to the St Therese's Community for the donations and words of encouragement for his Starlight Foundations Tour de kids cycling challenge. Santiago achieved both of his goals, he rode 166km and raised an astounding \$712 for the Starlight Foundation.

We are very proud of his achievement and also his generosity in supporting such a good cause.

Assistant Principals Message

Welcome to Week 6 – Wellbeing Week. There will be no homework set this week. Spend the evening together on activities that focus on mental health and wellbeing. We will send through some activities via Compass each day for you to try with your child/ren.

Best Wishes for Year 12 HSC

Today the HSC started so I ask that you all keep our Year 12 students in your thoughts and prayers over the next 4 weeks as they complete their HSC. A number of staff at St Therese's, including myself, have children doing Year 12 this year. It has been a turbulent two years for these students, through COVID restrictions and lengthy home learning. The students have learned so much academically to prepare for their final step in their school journey, but they have also learned so much about persistence, grit and resilience. I thank the Year 6 children and teachers for organising "Good Luck" cards for the Year 12 students, I know these cards meant a great deal to Year 12, especially they were the buddies for our Year 6 students when they started kindergarten.

Orientation/Transition

This Friday 12 November we will have a combined Orientation/Transition session for our kindergarten students for 2022. These sessions will begin after all our students are in class and will conclude before afternoon dismissal. Kindergarten 2022 parents will Zoom in with the school's leadership team for an online Orientation session. It certainly is a very different way to do Orientation/Transition, however there are some benefits, such as the ability for families currently living out of the area being able to join us online.

Each year as Orientation approaches, I am reminded how quickly time goes by. I still remember Orientation Day for our current Year 6, who are now getting ready to head off into high school.

Swimming Carnival

We have uploaded the Swimming Carnival onto Compass. For the first time, parents will be able to provide consent for the carnival and select the events your child/ren would like to enter via Compass. Please note: the carnival is only for children that will turn 8 in 2022 and who can swim 50m competitively. Due to COVID restrictions, no spectators will be permitted. Please follow the instructions below (these have also been uploaded to Compass)

To access the event, go through the following steps:

- Login to Compass on a PC, iPad etc. (you may not have easy access to the event on your mobile phone)
- Click on your child's "Profile" this is a blue link under their photograph
- At the top of the screen click on the "App Launcher" icon ::: then "Events"
- You will see a blue link "+1 opt-in event" click on this
 - The swimming Carnival date will be displayed under your child's photograph

Invited	Due	# 0.00	>	0	
	26/11/2021	\$0.00		0	Click on the ">" to take you to the event
			J	0	If your child will NOT be competing, the click "x Decline

Event"

- If your child WILL BE competing, click "Accept Event"
- Once you have accepted the event, you will be taken to the information page
 - Scroll down for the payment slip, that needs to be returned to the school office or via email to <u>admin@newlambton.catholic.edu.au</u>. The cost of this event is \$15/child, the cost in Compass states "\$0.00", as the event cannot be made via Compass
 - Scroll down to Section 2 to enter any additional information regarding your child
 - You may add information already known by the school e.g. allergies, asthma etc.
 - Scroll to Section 3 to select all the events your child would like to enter on the day
- Scroll to Section 4 to provide consent for your child electronically, by entering your name and selecting the GREEN tab "Submit Consent"

The \$15.00 entry fee will need to be paid directly over the phone at the Admin Office.

RE News

<u>Mission Focus</u> – Whilst the past months have been challenging for us all with lockdowns and home learning, we should never forget how hard things have been for many other communities both here and abroad.

Some of the people most effected by COVID-19 are those who had previously depended upon the aide and assistance of donations and external support. As a Catholic community, we remember the heart of our mission is to continue the work of Jesus Christ – reaching out to the poor, the needy and the vulnerable of the world. With this in mind, we invite you all – as much as possible in your own current circumstances – to get in behind our upcoming social justice initiatives here at St Therese's.

We still have a great deal to do in support of both the girls in Laos via our LOTUS fundraising and the children of Thailand through this year's Catholic Mission Socktober challenge.

We will have a special school-wide focus on these worthy mission causes over **Thursday 18th & Friday 19th November**.

In the meantime, if you wish to know more or make a donation to **our school** 'Socktober' page, use the link or QR Code below.

We still have a long way to go towards our school goal of \$2,000.

Faith Matters – Some of you may have been reading the weekly 'Faith Matters' bulletin that has been put out each Monday during our period of Home Learning. This will continue to be distributed each Monday via Compass and/or email, so please refer to this for any further Faith formation prayers or reflections.

Please also remember that we will continue to offer an online **Prayer Liturgy & Assembly each Friday** afternoon on Zoom at 2:30pm.

We would love to see as many of our parents possible, reunite with us in this way! **ID:** 665 1680 0085

Sport News:

You may recall in last week's newsletter, I mentioned that St. Therese's had been fortunate enough to have been selected to participate in a four week Newcastle Jets football program.

From this news, we have learnt that this is not our only recent Newcastle Jets connection. One of St. Therese's very talented footballers, Angus Gray - who had been chosen in our Polding football team – has also been accepted in the Jet's Academy, to participate in the U13s Emerging Jets Team. Please join me in congratulating Angus and his footballing achievements.

Canteen News

I'm in the process of developing the 2022 roster. If you can help in the canteen once a month for a few hours in the morning, please let me know.

If you are currently on the roster, I will assume you are OK to remain on your current day, so you don't need to do anything. Please let me know if you are no longer able to be on the roster or wish to change days. Also, if you are a year 6 parent and will no longer have children at the school next year, can you please remind me. Thanks so much.

P&F Gingerbread Houses 2021

Gingerbread house kits are for available to purchase. The kit includes icing, all house parts, baseboard, cellophane to wrap it up and ribbon. Flavours include traditional gingerbread, gluten free gingerbread and chocolate. They can be ordered via flexischools for \$35. Orders close 23 November. See the attached flyer in the newsletter for details.

Mango Fundraiser

Unfortunately the mango fundraiser could not go ahead this year as per the roadmap set out by Catholic Schools NSW as we all return from lockdown and negotiate the return to normal living with covid. All going well, this time next year we can return to this delicious summer fundraiser.

P & F Brick Fundraiser

Thank you to all the parents who purchased a family brick facing we sold 219 brick facings. The school logo and brick facings were supposed to be erected during the September school holidays but due to COVID restrictions this didn't happen but this has now been scheduled for January school holidays. The school logo tiles look fantastic and I can't wait to see it up on the lift shift with all your family names underneath.

NO CASH ORDERS CAN BE ACCEPTED

Please contact Scholastic Customer Service on 1800 021 233 if you need any help with online ordering.

Grade 5 Leadership Day

Last Thursday Grade 5 spent the day learning about 'Leadership' and what it means to be a student leader here at St Therese's. Mrs Helene O'Neill joined us for the day and the students participated in a number of activities. We spoke about the qualities of good leaders and the qualities that Jesus has shown through the Gospels. The students then heard from the teachers about the four Leadership teams: Environmental, Active Lifestyle, Positive Behaviour Support, Social Justice. Students will soon be electing to give speeches for the roles of Student Council, School Captain and House Colour captain. We wish them all the best during this leadership process.
