Dear Parents and Carers,

Re: 2022 Fees, levy and family discount

We thank you for your continued support of your schools throughout what has again been an unpredictable year for all.

Each year, we review our fees and levies to ensure we can maintain and operate our schools at a high standard, now and into the future. While a significant portion of the cost of education is provided by State and Commonwealth Governments, the contribution of parents and parishes is still important in achieving that purpose.

We seek to make Catholic diocesan schools as affordable as possible and aim to keep your family's contribution as low as possible whilst achieving the strongest educational and spiritual outcomes for the 20,000+ students across our 59 schools. **Importantly, we are committed to ensuring that no child will be denied a Catholic education because of a family's genuine inability to cover the fees.**

This year, we have continued to support many families across our diocese by reducing their fees or arranging payment plans. We will continue to support families facing genuine hardship.

For families with multiple children attending Diocesan Catholic Schools, our increased level of Family Discount is maintained. Furthermore, for families with limited financial resources, discounted tuition fees are provided to Health Care and Pension Card holders who can receive a 50% discount off the Diocesan Tuition fee for each member of the family.

2022 Tuition Fees will increase, ranging from between 1.41% to 1.57% based on the school year of your children, with the Family School Building Levy increasing by 7.5%. Further detail outlining our 2022 Fees, Levy and Contributions is attached.

This year we have continued to invest in new school building works, as well as upgrades to existing school facilities and amenities across the Diocese, to a total value of more than \$115m.

In establishing these fees and levies, we have sought to ensure the best possible learning environment for your children. **We encourage feedback and assure our families that where affordability is a real issue, you will be supported in your need.**

With every thanks, yours sincerely

Family affordability and support

The Diocese is committed to ensuring that no child will be denied a Catholic education because of a family's genuine inability to cover the fees.

To assist families with limited financial resources, discounted tuition fees are provided to Health Care and Pension Card holders. The tuition fee is 50% of the full rate for each child and the discount is only applied to the Tuition Fee.

Additionally, any family experiencing financial difficulty is entitled to fee assistance and will be appropriately and confidentially supported to assess what is affordable for their family. The school principal or Assistant Director of Catholic Schools Office can be contacted to discuss these matters.

Together with parents, clergy and school staff, we are committed to offering children and young people in the Maitland-Newcastle Diocese a school environment in which their faith and education can be nurtured, and their potential can be realised. We value the opportunity to work in partnership with parents and carers and thank you for your continuing support.

Diocesan Family School Building Levy

In 2022, the Building Levy will be increasing by 7.5% to \$1,455 **per family**. This increase equates to an additional \$101 per annum or \$1.94 per week per family.

The School Building Levy is pooled to contribute to past, present and future costs for building projects across all schools in the Diocese. With a robust program of capital works, we aim to ensure our students enjoy the physical facilities to enhance their learning experience.

The program of works scheduled for completion in 2022 totals \$60 million in costs and includes major refurbishment and capital works such as new buildings, classroom replacements, specialist rooms, playground areas, facilities and amenities.

The Diocesan Family School Building Levy is only paid once per family and is allocated to the eldest child.

Individual school resource and service fees

Each school sets these fees to cover a range of costs including the supply of goods and services including resources such as textbooks, exercise books or subject levies, technology and excursion costs. The cost and nature of these fees vary between schools and year groups.

Each school advises these fees in the Parent Handbook as well as itemising them in the school fee account.

Diocesan Pastoral Contribution

This is a voluntary contribution to support the work of parishes and other pastoral ministries of the Diocese of Maitland-Newcastle. The suggested Pastoral Contribution remains at the same level as 2021 and continues to be \$300 per family.

The Diocese provides a range of services to the community through its agencies including Catholic Schools Office, CatholicCare Social Services, St Nicholas Early Education and OOSH, and the Pathways training program in Early Education. These services are partly funded by government.

The Diocesan Pastoral Contribution supports the unfunded services provided by the agencies just mentioned and also our on-going pastoral works and initiatives across our region, mainly in relation to youth programs and leadership development, social justice involvements, the Aboriginal, refugee and seafarers ministries, and our chaplaincies in hospitals, prisons, the Port of Newcastle and the University.

We invite and encourage your support of these works by your contribution to the Diocesan Pastoral Fund that can conveniently be made in conjunction with your school fees.
